DISTRICT ASSEMBLY AND TRAINING EVENT---APRIL 24--2010..8:30-3:30PM  
BOXBOROUGH HOLIDAY INN, 242 ADAMS PLACE, BOXBOROUGH

Dear Fello Rotarians,

The easiest and best way to get things done in your club effectively is to have trained leaders and club members. Each year, Rotarians from throughout District 7910 help you train your club members and officers at the District Assembly and Training Event, which will prove once again this year to be informative and helpful you , your club, and for your upcoming leadership. We you to attend and participate and bring this helpful training material back to YOUR club.

To help satisfy certain mandatory training requirements for clubs, our April 24th Training will offer **YOUTH PROTECTION TRAINING FOR YOUR Club Youth Protection Officer**. This is required for all clubs that have any interaction with youth in their service activities. If your club has not appointed a specific person for this position, the President or President Elect is considered the Youth Protection Officer. All Clubs who work with youth MUST attend this training.

In addition, we will be offering **FOUNDATION GRANT TRAINING** to all club officers, board members, Foundation Chairs, and Presidents who may be interested in developing a Matching Grant or Simplified Grant in the future. This is mandatory training under Future Visions, so please make sure you have a representative from your club attend.

These 2 training opportunities represent just a small sampling of the amazing training that will be conducted on the 24th, and we hope you and your leadership can and will join us. Please review the attached, and complete the registration form by following the link at the end of this announcement.

Thank you for your service to Rotary , your Community and your our World,

Sincerely

Your District Team

Michael Ellis, DGE

Tom Polito, DGN

Rich Dietz, DGND

Carol Toomey, DG
